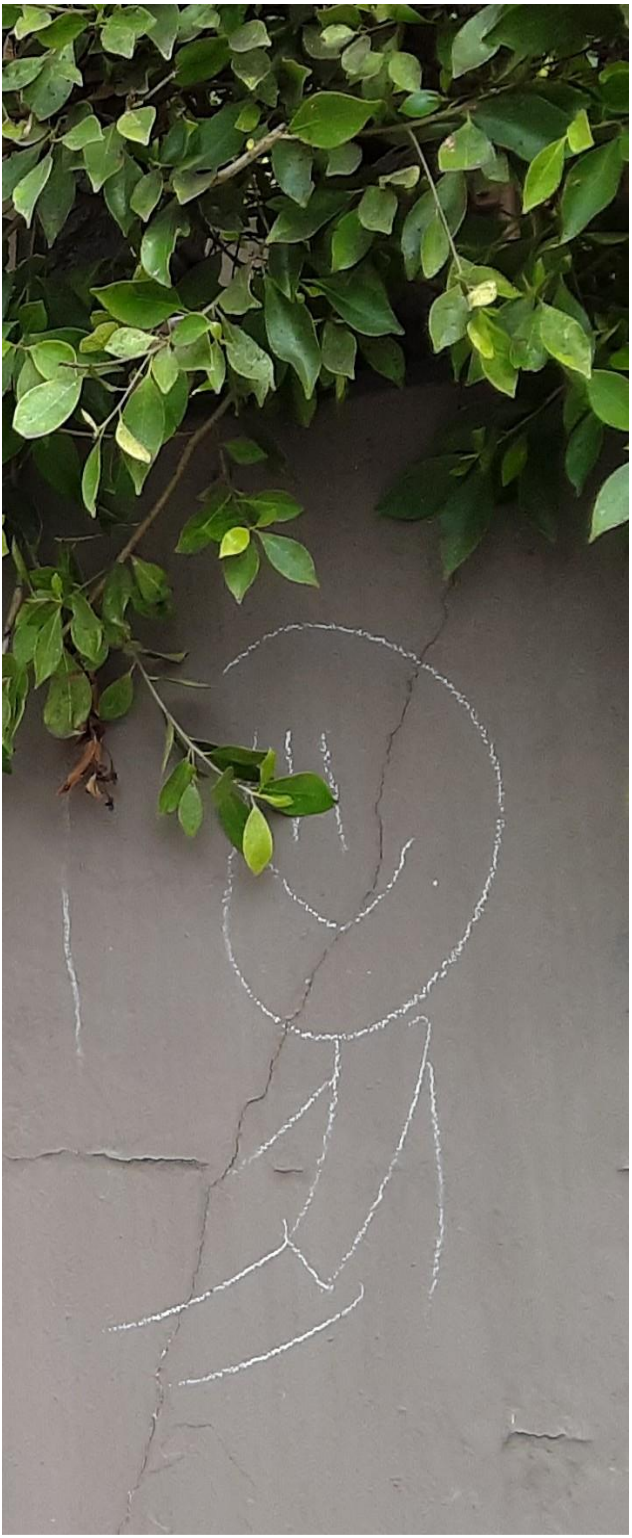
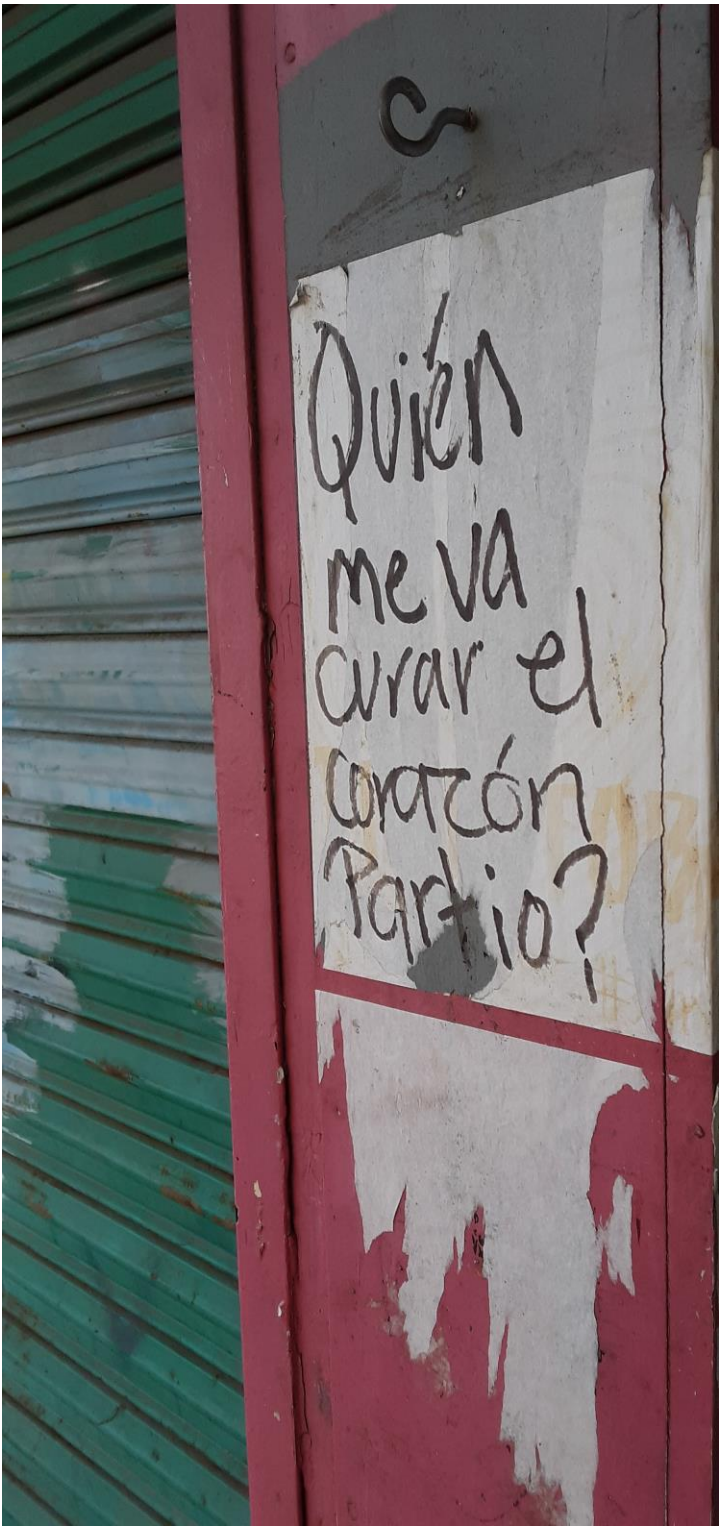
graffiti healing





Maybe your problem feels unsolvable. And so you're saying inside:

"Who is going to heal my broke heart?"

Try to remember that no matter how hard it is, there is a future for you,

because...

YOU ARE STILL ALIVE
COINS ACCEPTED

These new meters require payment to park unless you are legally exempt. If one form of payment is not accepted, you must use another form or park in a different space to prevent receiving a citation.
Please report all meter issues by calling 311.
WARNING: Vandalizing or tampering with a parking meter is a misdemeanor punishable by a fine of
to $1,000 and/or up to 1 year in jail.

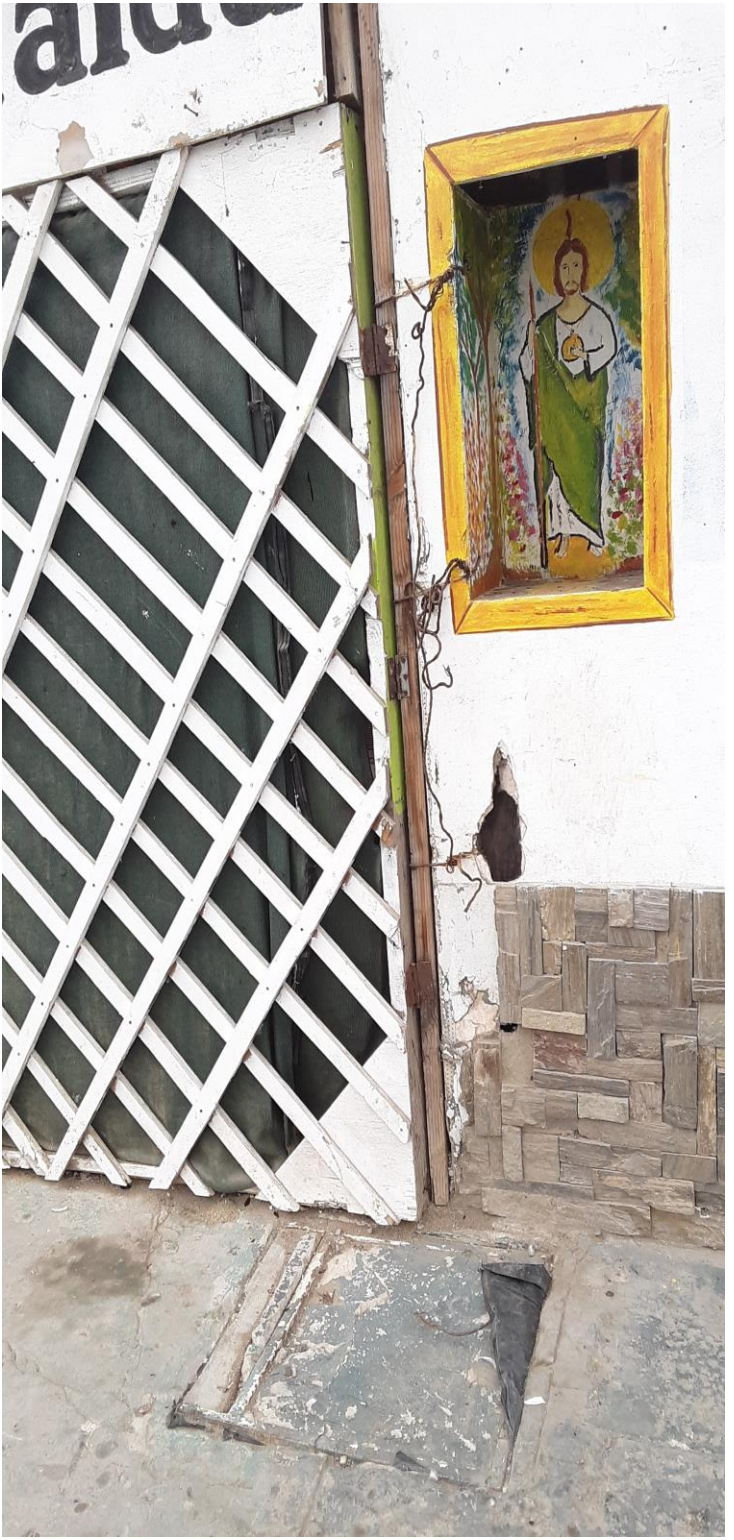
The path
forward
may be
hard,
but keep
plugging
along.

Be patient.

Remember…

While you are struggling there are sources of solace that will give you strength.

Like friends.

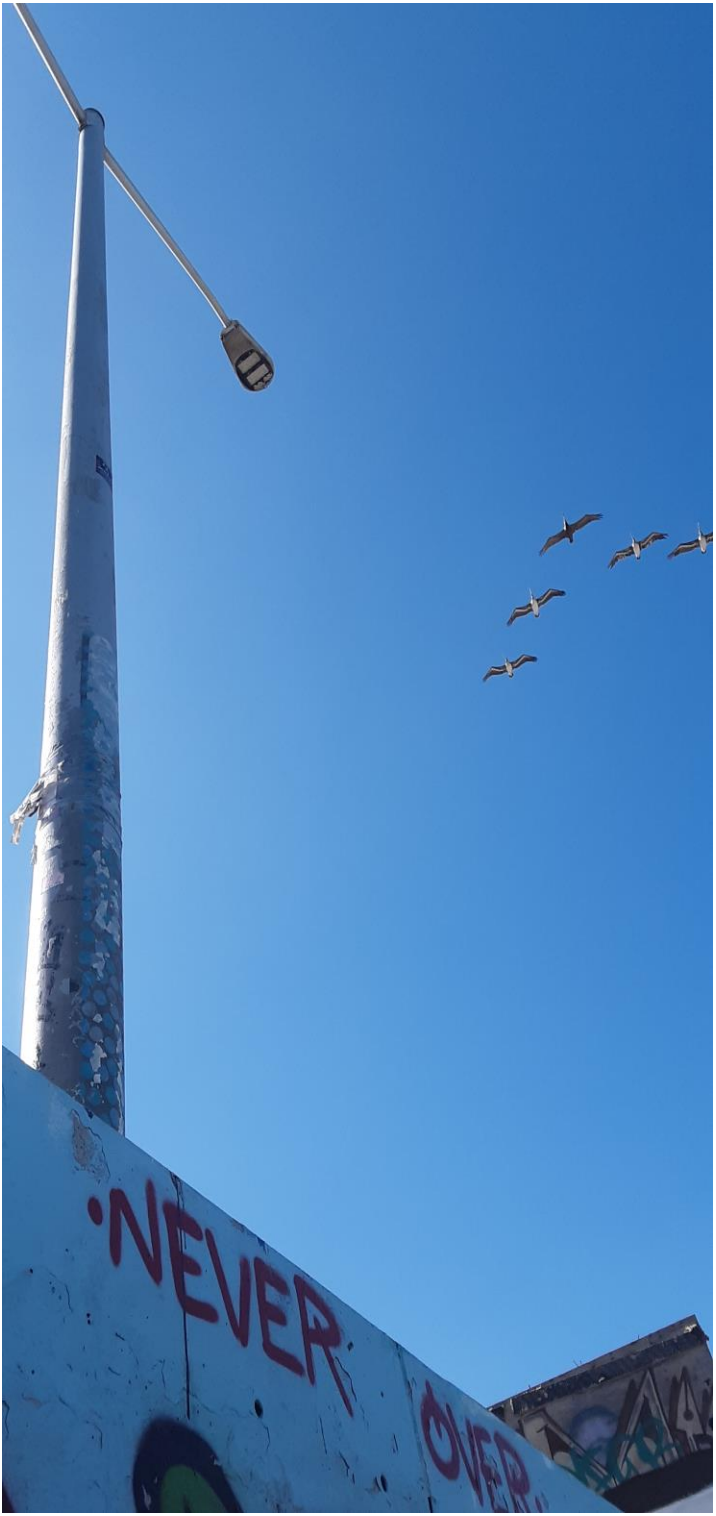


Some
people
find
strength

in a higher power.

There is beauty to salve your wounds.

and loved ones.



It may seem endless, but endure.

You will be glad you did.

Because
some day you will be happy again, and complete.
